DETAILED ACTION

Allowable Claims

1. **Claim(s) 1, 4-9, 12-15, 18-20 and 27-29** are allowed.

2. The following is an examiner's statement of reasons for allowance:

Regarding **claim(s) 1, 9, 15 and 27**, in combination with other limitations of the claims, the prior art of record fails to disclose or specifically suggested a plurality of modems for converting a dual-tone multi-frequency signal into one digit, wherein a caller selects only one DTMF entry for each character in a name and address of a person to form a digit string and a data search handler that searches a searchable database by matching the digit string that corresponds to an actual name and address of a person.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
